Hear ye...Hear ye...
Are you looking for a way to support the Fair?
We are looking for you to Join the Ag. Society.

WHAT KEEPS THE FAIR GOING?

- The dedication and commitment of the La Crosse County Ag. Society board members.
- Community Support: 4-H Adult Leaders, project members and volunteers, the Dairy Breed associations, the La Crosse County Pork Producers, and the many other community organizations that lend a hand.
- It is the perseverance of the community of volunteers with a vision that has made the fair the success that it is and will continue to be for the future of the youth and education of the county.
- It is also the community of volunteers that have pulled the organization together. These are individuals which have benefited from participation in the fair and are willing to contribute their time and talents back to the organization.
- With continued support we are able to keep a no gate or parking fee policy that contributes to larger crowds and better participation at the fair.
