To whom it may concern:

The La Crosse County Agriculture Society, owners and operators of the La Crosse Interstate Fair, would like to invite you to be a sponsor of the 2026 fair. The fair dates for this year are July 15th-19th, 2026. We have appreciated your past support of the fair and hope to continue having your support this year.

The La Crosse Interstate Fair is a free fair that is run largely by volunteers. We pride ourselves on the fact of having local La Crosse businesses sponsor the fair. The fair is an educational networking event for youth and adults to exchange information and learn about products and technology. It is also a social event for many community individuals and visitors from out of town. Over 15,000 people will visit our fair each year! Without your help, we can not properly educate the public about 4-H, FFA, and agriculture which are especially important aspects to our community.

The support of the community is what has made the La Crosse Interstate Fair a family oriented and educational event. We would deeply appreciate your support of our request. If you should have any questions, feel free to contact:

Don Langrehr, President at (608) 738-1790

Carlie Scriver, Fair Coordinator at (608) 317-9168

Thank you very much for the consideration. It is appreciated!

Sincerely,

LA CROSSE COUNTY AGRICULTURAL SOCIETY

Thank you for supporting the La Crosse Interstate Fair and the youth of La Crosse County!
